Teresa Stewart ~ Classical Homeopath

~ Live your best life ~

Discounted offer expires: February 15, 2011

One coupon per person

Safe

Homeopathy treats the whole person, not just the symptom. Our focus is on the individual as a whole as well as uniqueness of the client.

Homeopathy works in areas we feel limited in living our best life. Whether it's an acute situation like the flu, cold, coughs or an injury. Or chronic situations like allergies, headaches, insomnia, restless mind, irritability, anxiety or depression etc. When we are living with physical, mental or emotional complaints we aren't at our best. Homeopathy works to strengthen the immune system.

Through the principle of 'like cures like', the goal is to address the underlying cause of the symptoms and to bring about optimal health

The initial consultation is an extensive intake, reviewing your health condition and concerns. This also includes the homeopath's research and remedy recommendation. The usual cost is \$250.00 plus remedy.

This special limited time offer is redeemable in the amount of \$50.00 toward the cost of an initial homeopathic consultation, at Linden Hills Homeopathy, LLC. Coupon has no cash value.

Don't wait until the last minute!

Mark your calendar to call by January 15, 2011, to reserve your spot. Appointments can be made through February 15, 2011.
